

Book Exchange

***Week of March 12th-16th* During Media Time**

Dear Families,

March is Reading Month! Your child is invited to participate in the Book Exchange, which will take place March 12th-16th, during Media Time in our library. Please help your child choose appropriate books from home to swap (Maximum of 3), if trading books sounds fun to your eager reader!

CONSIDER THE FOLLOWING QUESTIONS WHEN CHOOSING "JUST RIGHT" BOOKS FOR THE BOOK EXCHANGE:

1. Is this book a paperback or hardcover that your child willingly wants to trade, and this book has no sentimental value?
2. Is this a book your child is willing to trade for a different book, possibly a paperback?
3. Is this book the type of book that your child would choose at a book store, library, or book exchange?
4. Is this book in good shape?

If you answered yes to all of these questions, please allow your child to bring his/her books (up to three) to school the week of March 12th. If you answered no to any of these questions, find a different book/books to exchange. Remember, only the students that bring in books will be allowed to participate in the exchange.

Thank You and Happy Reading!!!

My child has permission to trade up to three books at the
Book Exchange during the week of March 12th.
