- **When will I know if my child has been accepted as a Schools of Choice student?**

A random draw selection will take place on Tuesday, April 30, 2019 at 9:00 a.m. in the Riley Education Center Cafeteria. Public is welcome to attend. The draw will determine numerical selection for acceptance of candidates.

Within fifteen calendar days after the end of the application period, parents will be notified via phone call or email of whether the applicant was chosen or placed on the waitlist. Specific school placements of Schools of Choice students will be assigned after review of all school enrollment data. There will be a minimum of one opening per grade level K-8.

Important Deadline: If notified of acceptance in the Schools of Choice Program, applicants must complete enrollment paperwork within 8 calendar days of notification. If the enrollment is not completed within this timeframe the student's space will be forfeited.

Wait List: Those not selected will be placed on a wait list, and called in numerical selection order as positions become available.
